

Green Travel under the Erasmus programme

If you choose to use sustainable means of travel to reach your place of studies abroad, you will be eligible for both

- a flat-rate allowance of €50 and
- up to 4 additional travel days (up to 2 per journey)

as additional funding for your stay. Please enter your details below and sign the statutory declaration in lieu of an oath. Please retain the corresponding travel documents for 5 years (in case of a review).

To obtain the funding, please sign and submit this form by e-mail to outgoings-europa@hhu.de before the start of your stay abroad. Thank you.

I hereby apply for the additional funding available for sustainable travel:

Last name, first name: _____

Destination country/city: _____ / _____

Planned travel dates for the outward journey: _____

Planned travel dates for the return journey: _____

Type of travel

Your travel is deemed sustainable if you use one of the following means of transport and travel options for the entire journey (outward and return journey):

- Train
- Bus
- Bicycle
- Car sharing with at least one further person (driver plus at least 1 passenger)
- Ferry journey involving one of the means of travel stated above

Statutory declaration in lieu of an oath:

I hereby declare in lieu of an oath that I will use one or a combination of the means of travel stated above for the entire journey to and from my host organisation (outward and return journey). In the event that I do not use the means of travel stated above as planned for one or both of the stated journeys, I undertake to notify the International Office without delay.

Place and date: _____ Signature: _____

<i>To be completed by the International Office</i>				
Funding		Number	Rate	Total amount
1	One-time flat-rate allowance of €50	1 x	€50	€50
