- In language courses: speaking for only 2 minutes
- Language tandem tries to compensate for this
- Registration:

- Matching
- Meeting in person
- Practical use of language increases

## WHAT IS THE EUROTANDEM?

- a teletandem - a language tandem online
  - Students from our university learn together with students from Erasmus cooperation universities in Europe.
  - The mother tongue is taught and the other's is learned.
- 

## GOALS OF THE EUROTANDEM

- Language production
  - Increasing listening comprehension skills
  - Establishing international contacts
  - Interculturality and social skills
- 

## ORGANISATION

- There are two information events.
- The Language Centre handles the registrations and the matching (the allocation of students).
- The students organise their meetings independently with each other and keep a diary, meeting at least 12 times.
